About me my stats

Information About me

I am Hanifa Asad, currently learning backend development from SMIT. I have already completed my frontend development from SMIT, and I hold a Diploma in Graphics Designing and Digital Marketing from Rangoonwala Center. My background allows me to combine technical skills with creative insights, enabling me to approach projects from both a development and design perspective.

My Timeline

2022-2023

Specializing - Marketing & Designing.

I have worked as a freelancer specializing in digital marketing and graphic design. My freelance experience has allowed me to work on various projects where I successfully developed marketing strategies, managed social media campaigns, and created compelling graphic designs for clients. This hands-on experience has honed my skills in both creative design and strategic marketing.

2019 - 2021

Pursuing Diploma - in Graphics Designing & Digital Marketing.

ZVMG RangoonWala Community Center,
Karachi,
Pakistan.

2023 - 2024

Specializing - Frontend Development.

I have completed internships at Prodigy Info Tech and Growintern, where I gained hands-on experience in web development. During these internships, I focused on practicing HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and responsive design. These opportunities allowed me to apply my knowledge in real-world projects, improving my skills and understanding of frontend development.

2023 - 2024

Diploma- in Modern Web & App Development.

SMIT Saylani Mass IT Training Institute,
Karachi,
Pakistan.
